

## IMPACT Team (Individuals Making Pima a Community Tool) Student Advisor Information

### Purpose:

Student advisors will have the opportunity to help the credit union design youth programs, teach financial literacy and market to Gen-Y. The mission of the IMPACT team is to reach out to the community through financial literacy education and to promote saving through youth services at the credit union.

### Duties:

- Student advisors are required to meet on a monthly basis,
- Student advisors will review products and services offered by the credit union and will make recommendations and suggestions on ways to improve them so they will appeal to younger members,
- Conduct surveys and complete questionnaires regarding promotions, products and services,
- Assist in teaching financial literacy classes and community outreach events when available.

### Eligibility:

- Be a junior or senior in high school,
- Attend monthly meetings and have own transportation,
- Commit to serving a one-year term.

### Benefits:

- Earn a \$500 scholarship for college,
- Great addition to college and/or work resume,
- Meet new people and learn new things,
- Grow as a leader in the community.

You will have the opportunity to learn, not just in a classroom setting at school, but in an actual business environment. You will also have the chance to make a difference in the community. Don't let this opportunity pass you by—apply today!
